COMPETITION OUTLINES

WORDS OF WELCOME

Sergey Soloveychik
President
European Judo Union

I am delighted to welcome you all to Gran Canaria for what promises to be a most exceptional weekend of Judo.

Kata is one of the principal ways that Judo is practiced (the other being Randori). It is encouraging to witness the continued growth in interest both in the regular practice and more recent competitive elements of what is recognised as a cornerstone in the teaching of Judo's principles and techniques.

I also want to take this opportunity to thank the Royal Spanish Judo Federation, all their staff and volunteers for their tremendous efforts to ensure that this will be a memorable event. I wish all the participants the very best of luck and, to all spectators, a most enjoyable stay.

Best Wishes!

Juan Carlos BARCOS NAGORE
President
Spanish Judo Federation

Dear judo friends,

I have the pleasure to extend the Royal Spanish Judo Federation's and my personal welcome to all the guests and participants of the Kata and Veteran European Championships in Las Palmas de Gran Canaria (Canary Islands), Spain.

After the organization of the World Kata and Veteran Championships in Málaga in 2014, Spain has the honour to host once more two high level European sporting events in a new Spanish city, Las Palmas de Gran Canaria. Its privileged culture and location create a distinctive character resulting from the mix of Europe, America and Africa offering sun, sea, historic legacy and high-level sporting events with strong vocation for hospitality and good quality of infrastructures. This is a great opportunity for the athletes to test themselves in a challenge that involves the best European Experts and Veteran.

I take this opportunity to express my gratitude to the President of EJU Mr. Sergey Soloveychik, for the continuous support and confidence of EJU towards our Federation.

My special thanks goes to all partners, sponsors and to all those who have worked hard and with great enthusiasm to organize this European Kata and Veteran Judo Championships.

Finally, I would like to wish all the participants the best results and many exciting days full of Judo and fair competition.

All judges have to be OBLIGATORY registered in Judobase for the competition as well.

3.2. JUDGES' MEETING

All judges have to attend the technical meeting in the afternoon before the first day of competition to confirm participation as judge in these Championships. Only judges are to attend this meeting. Time and place are stated in the program.

3.3. POINT SYSTEM

**KATA EUROPEAN JUDO CHAMPIONSHIPS / KATA OPEN EUROPEAN JUDO CHAMPIONSHIPS
KATA EUROPEAN JUDO CUP/ KOSHIKI-NO-KATA EUROPEAN JUDO CUP**

Each technique and open and closing ceremonies are evaluated with a maximum positive score of 10 points. The positive score is decreased by mistakes. The evaluation of every technique of Kata has to consider the principle and the opportunity of execution: the evaluation (included the opening and closing ceremony) has to be comprehensive.

Definition of mistakes:

Forgotten technique – score is zero and the total score of the Kata is halved. If the forgotten technique is more than one, zero score will be given to the technique but the total score will be not halved again

Big mistake: when the execution of the principle is incorrect (5 points are deducted and the maximum number of crosses is 1)

Medium mistake: when one or more elements of the principle are not applied in the correct way (3 points are deducted and the maximum number of crosses is 1).

Small mistake: imperfection in the application of the technique (1 point is deducted and the maximum number of crosses is 2).

For every technique without a forgotten technique, the minimum score has to be 1.

The total score for each technique can be increased or decreased by 0,5 point adding in the column of the “correction value” a “+” or a “-”.

For every technique without a big mistake the minimum score has to be 4,5.

If there is a big mistake in the Kata (including the bow), the score must not be more than 5.

In the Nage-no-Kata right and left techniques will be evaluated globally (only one score).

In case of equal score between pairs the following criteria will be applied considering the scoring sheets of 5 judges:

- total value of big mistakes - wins those who makes less mistakes
- if still equal, total value of medium mistakes will be considered - wins the pair who makes less mistakes
- if still equal, total value of small mistakes will be considered - wins the pair who makes less mistakes
- if still equal, the average score (evaluated until the second decimal place) of the whole Kata will decide. Wins the pair who has a better score.

If two pairs both are placed 3rd after the above mentioned criteria, the Kata will be repeated in order to assign the medal.

KATA EUROPEAN JUDO CUP

Even if the Kata is not complete, the pairs have to execute the closing ceremony.

3.4. ENBU JUDO EUROPEAN CUP

The show will be judged according to the following criteria:

- efficiency
- accuracy
- difficulty
- variety of techniques
- choreography
- originality
- tradition
- spirit

The total points accumulated will be the final result.

Accessories: only traditional Kata weapons are allowed during the demonstration.

3.5. SYSTEM OF JUDGING

KATA EUROPEAN JUDO CHAMPIONSHIPS / KATA OPEN EUROPEAN JUDO CHAMPIONSHIPS

KATA EUROPEAN JUDO CUP / KOSHIKI-NO-KATA EUROPEAN JUDO CUP

The amount of judges is five and they will be positioned on the shomen side. They will award points on the official EJU scoring sheet. For each technique the total score of three judges will be summed up to produce the final score: the maximum score and the minimum score for each technique will be cancelled. The total score of the whole Kata will be the sum of the score totalled by five judges.

The rule of neutrality will be applied: a couple cannot be judged by a judge of the same nation. The position of the five judges will be the same for the whole competition.

A judge cannot be a competitor.

The judges shall always be in their position before the arrival of the couple to the competition area.

The judge in the centre stands up and, with tense arms and palms of the hands turned upward, invites the couple to enter the competition area.

The couple enters and leaves the competition area at the opposite side of shomen: the start and end of Kata (opening and closing ceremony) is at 10 m or 8 m distance (bow to the mat).

Any behavior of Tori or Uke inside the competition area that is contrary to the spirit of Kata will reduce the score of the ceremony.

3.6. COMPETITION AREA

The competition area has dimensions of 10 x 10 meters (or 8 x 8 meters minimum) and shall be covered with tatami or similar acceptable material.

The competition area must be fixed to a resilient floor. When more adjoining competition areas are used, a common safety area of 2 meters is necessary. Around the safety area, a free area of 1m is to be expected.

A strip of visible color adhesive tape, approximately 5 cm wide and 50 cm long, shall be fixed on the center of the competition area 6 m apart to indicate the starting position of Tori and Uke. The center of the competition area shall be indicated with a strip of adhesive tape of the same color.

3.7. INJURY, ILLNESS and ACCIDENT

When Tori or Uke is unable to continue because of injury, illness or accident during the execution of the Kata, the couple will be considered out of competition. In case of minor injury like bloody wound, broken nail or a problem with contact lenses, according to the decision of the judges the Kata execution will be interrupted and the athlete will be assisted by a doctor out of the competition area. The competition will continue and the couple will repeat entirely the Kata soon after the last called couple. In case a new minor injury occurs to the same athletes during the second execution of Kata, the couple will be considered out of competition. In the case that minor injury happens after a forgotten technique, the couple will be considered out of competition.

3.8. SITUATIONS NOT COVERED BY THE RULES

When any situation arises which is not covered by these rules, it shall be dealt with and a decision will be given by the EJU Kata Commission.
