Sanitary Protocol

International Tournament "Muhamet Malo" 12-15 May 2022

To enter the Republic of Albania, whether by land, sea or air, you must be equipped with:

- Vaccination passport, where at least two weeks have passed from the date of full vaccination; or
- PCR test performed within 72 hours; or
- Rapid antigen test performed within 48 hours OR
- Document / proof proving that you have passed or recovered from Covid-19 valid up to 6 months after recovery;
- These criteria also apply to those travelers who transit through Albania;
- Children up to the age of 6 are exempt from these criteria.
- Albanian citizens resident in Albania who return and do not have one of the above mentioned documents, must be isolated for 5 days and inform the health authority to perform a test at the end of isolation.

All passengers who are allowed to enter the territory of the Republic of Albania, in addition to respecting the protocols of international standards that airlines apply anywhere in the world, must also apply these rules:

- Only traveling passengers will enter the airport building, avoiding being escorted by their family members;
- Passengers must respect the social distance of 1.5 meters throughout their stay at the airport;
- Priority is given to the elderly, people in need and families with minor children;
- For more info: <https://www.tirana-airport.com/c/116/measures-and-rules/>

Keep in mind the current rules that are in force in Albania:

- Wearing the mask indoors as well as on public transport is mandatory. It is recommended to wear the mask wherever social distance can not be maintained, as well as for those who have not yet done the two doses of the vaccine.
